CLEARINGHOUSE

parchment

## CCC APPLY NEW & ADVANCED USERS

### Meta Majors, Guided Pathways and the New CCCApply Administrator

Join members of the CCCApply Steering Committee for an exploration of the new CCCApply Administrator tool with an emphasis on the new feature enhancements built into the Majors module for the Standard and International applications.

**10:00 a.m. | Math Lecture Hall 1**

**Presenters:** Craig Hayward, Bakersfield College  
Michelle Pena, Bakersfield College  
Patty Donohue, Product Manager, CCC Technology Center

### The California College Promise Grant Online Application

Explore the CC Promise Grant Application (formerly known as the BOG Fee Waiver Application) and participate in a Q&A session with experts from the CCC Chancellor's Office.

**11:10 a.m. | Math Lecture Hall 1**

**Presenters:** Bryan Dickason, Financial Aid Specialist, CCC Chancellor's Office

### CCCApply Residency Algorithm 101: Presentation / Q&A

Join members of the CCCApply Steering Committee and residency experts from the CCC Chancellor's Office for a presentation and Q&A session on the CCCApply residency algorithm and how it calculates the "preliminary" residency determination and AB540 eligibility status.

**1:00 p.m. | Math Lecture Hall 1**

**Presenters:** Michelle Pena, Bakersfield College  
Natalie Wagner, CCC Chancellor's Office  
Michael Quiaoit, CCC Chancellor's Office

### CCCApply International Application

A presentation of how the International application is being used across the LACCD, and changes that could improve the online application workflow for international applicants.

**2:10 p.m. | Math Lecture Hall 1**

**Presenters:** Olivia Alvarado, IT Director, LACCD;  
Anna Salazar, Dean of Enrollment Svc., East LA College

Drop by the "CCCApply Computer Lab" located in room MBCC 123 anytime between 11:10 a.m. - 2:00 p.m. for hands-on help and individual training related to using the CCC Report Center. Support engineers can assist you with questions about looking up Applications, running reports, or creating your own custom Ad Hoc report.

## RESEARCH & IT

### CCC Report Center: Creating & Modifying Public Views & Reports

Back by popular demand, this year's CCC Report Center training will focus on creating custom reports, and modifying the Views and Reports templates in the Public folder.

**10:00 a.m. | Math Lecture Hall 2**

**Presenters:** Merrie Wales, CCCTC Support Engineer, Cindy Gonzales, IT Technical Analyst, Los Rios CCD

### OpenCCCApply Data Security: How CCCApply Is Addressing Spam

Join Executive Director Tim Calhoon for a discussion about how the CCC Technology Center is addressing data security across all systemwide student applications and projects and what we've learned over the past year.

**11:10 a.m. | Math Lecture Hall 2**

**Presenters:** Tim Calhoon, Executive Director, CCCTCPatty Donohue, Product Manager, OpenCCCApply

### CaliforniaColleges.edu and CCCApply

Join us for a demonstration and discussion about the current integration between CaliforniaColleges.edu and CCCApply.

**1:00 p.m. | Math Lecture Hall 2**

**Presenters:** Tim Calhoon, Executive Director, CCCTC, Patty Donohue, Product Manager, OpenCCCApply

### OpenCCC Federated Identity Initiative and the SSO Proxy

Join us for a presentation on Identity Management and learn how to prepare your college to participate in the OpenCCC federated identity and the SSO proxy initiative - an integral aspect of student access to web-based information technology applications.

**2:10 p.m. | MBCC 163**

**Presenters:** Patty Donohue, OpenCCC Product Manager, CCC Technology Center

## SPECIAL THANKS TO OUR HOST COLLEGE

## CALIFORNIA ELECTRONIC TRANSCRIPTS

### Electronic Transcripts: Getting Started through Full Adoption

This session provides an overview of eTranscript California, from getting started through the benefits of fully adopting the exchange of electronic transcripts.

**10:00 a.m. | MBCC 163**

**Presenters:** Mark Cohen, Product Manager, eTranscript California, Topacio Vargas, Senior Client Success Leader, XAP Corporation

### What's New for eTranscript California

This session provides an update on eTranscript California and how the statewide initiative is leveraging EdExchange and the Project Glue technology integration framework to enable real-time data sharing for student success and support of guided pathways.

**11:10 a.m. | MBCC 163**

**Presenters:** Mark Cohen, CCCTC Product Manager, eTranscript California

## EDUCATION PLANNING INITIATIVES

### Starfish by Hobsons and CCC User Community Update

March 2018 marks year three of Starfish's partnership as the chosen platform for California's Education Planning Initiative on a degree plan/audit system.

**1:00 p.m. | MBCC 163**

**Presenters:** Kelly C. Kilby, Starfish Strategic Account Executive; Kayla Mannon, Counselor, Fresno City College/EPT-DAS Steering Committee Member

### The Expanded Path of CCC MyPath in Learner Onboarding

Learn how CCC MyPath is helping colleges implement Guided Pathways for their incoming students, and how it can do the same for existing students at the same time. By taking advantage of services and technologies incorporated into MyPath, colleges have the opportunity to totally transform the onboarding experience with a workflow that is automatically customized for each individual student.

**2:10 p.m. | Math Lecture Hall 2**

**Presenters:** Mike Caruso, CCC Technology Center; Mitch Leahy, Santa Rosa Junior College

## CLOSING SESSION

**3:25 P.M. - 3:45 P.M.**

### Horticulture Gardens
