

On the Roadmap

CCC Administrator 2.0

New Staff Tool for CCC Applications

CALIFORNIA COMMUNITY COLLEGES

CCCApply 2017 Annual Workshop

April 12, 2017 | Sacramento City College

Wes Owen & Patty Donohue – Tech Center

CCCApply

The online gateway to the California Community Colleges

- Owned by the CCC Chancellor's Office
- Governed by CCCApply Steering Committee
- Developed by the CCC Technology Center

CCCApply Applications

- Standard Application
(Residency algorithm)
- International Application
(No residency)
- BOG Fee Waiver Application
(Financial Aid app)

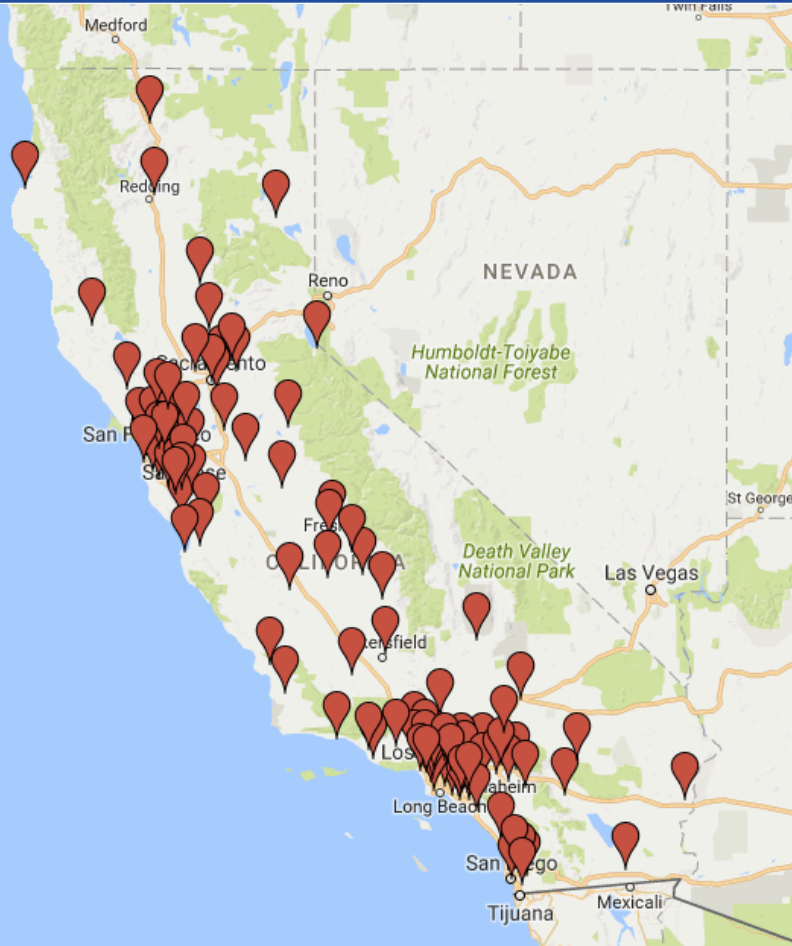

The image shows a screenshot of the CCCApply application form. The header features the CCC logo and the text "CONTRA COSTA COLLEGE a premier community college right in your backyard". On the left, a navigation menu lists sections: Introduction, Enrollment Information (with a green checkmark), Account/Mailing Information (with a green checkmark), Personal Information (with a green checkmark), Education (with a yellow arrow), Citizenship/Military, Residency, and Needs & Interests. The main content area is titled "Education" and includes an "Entry Level" section with the text "Your enrollment status as of 07/31/2011" and a dropdown menu set to "First time at this college; have attended another college". Below this is the "High School Education" section, which includes the text "High school education level as of 07/31/2011" and a dropdown menu set to "Received a Certificate of California High School Proficiency". At the bottom, there is a "High school completion date" section with a dropdown menu set to "June".

User Stats

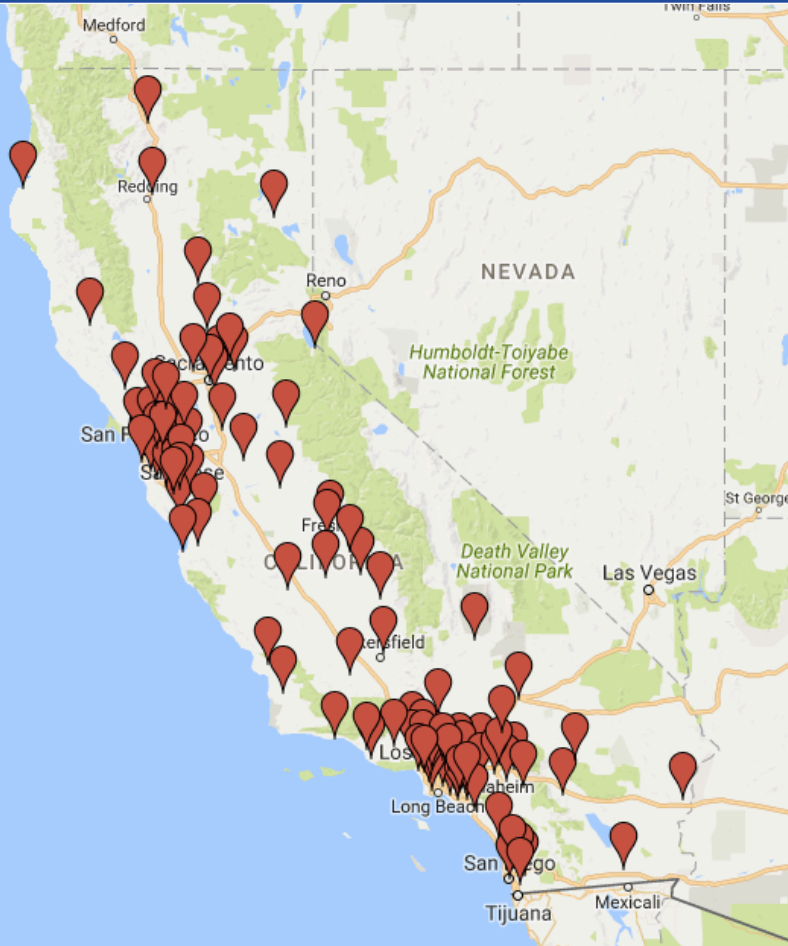

- Standard App: 5,526,197
- International App: 614
- BOG Application: 324,115
- **OpenCCC CCCIDs:** 4,026,367

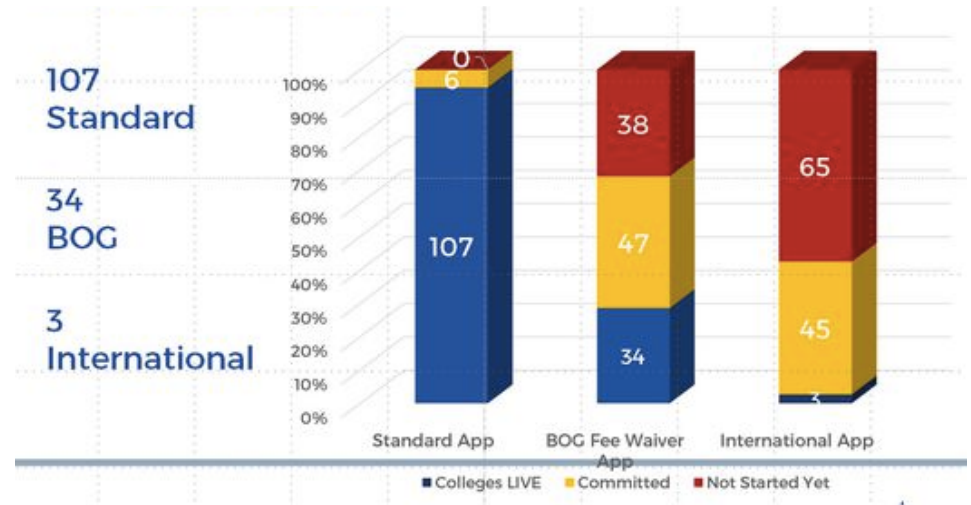

Adoption

- Launched Standard App in 2012
- 52 Colleges Live by 2014

- 11 colleges working on BOG project

Administrator: Staff Tool

- Colleges manage application settings
- Back-end configuration of Terms, Majors
- Application reads data from table
- User authentication
- Reset Downloads
- Custom Email & Error Msg Rules

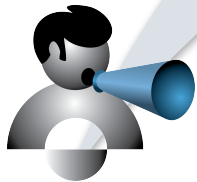

CCCApply History: 2000 - 2017

June 2000

A task force is formed to discuss creating the first online application for admission for all California Community Colleges.

CCC E-Application

Developed by the Xap Corporation

2000

2012

2014

2016

2017

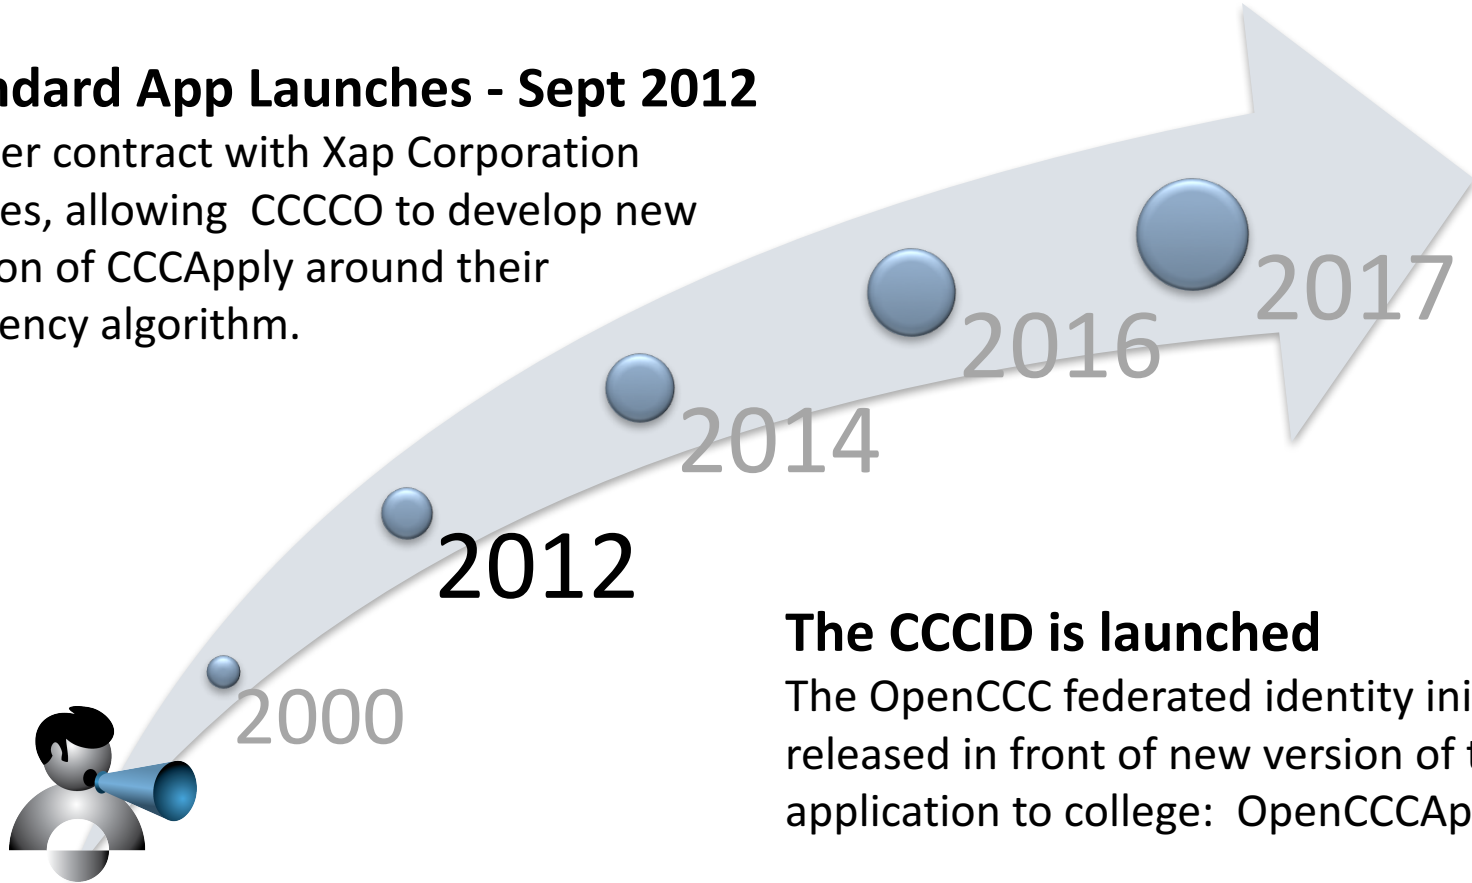

Steering Committee is born

The colleges represented were Butte, Contra Costa, Cuesta, El Camino, Modesto, Santa Rosa, Yosemite, and Yuba. The Chancellor's Office was also represented.

OpenCCCAppl: A New Beginning...

Standard App Launches - Sept 2012

Master contract with Xap Corporation expires, allowing CCCCO to develop new version of CCCApply around their residency algorithm.

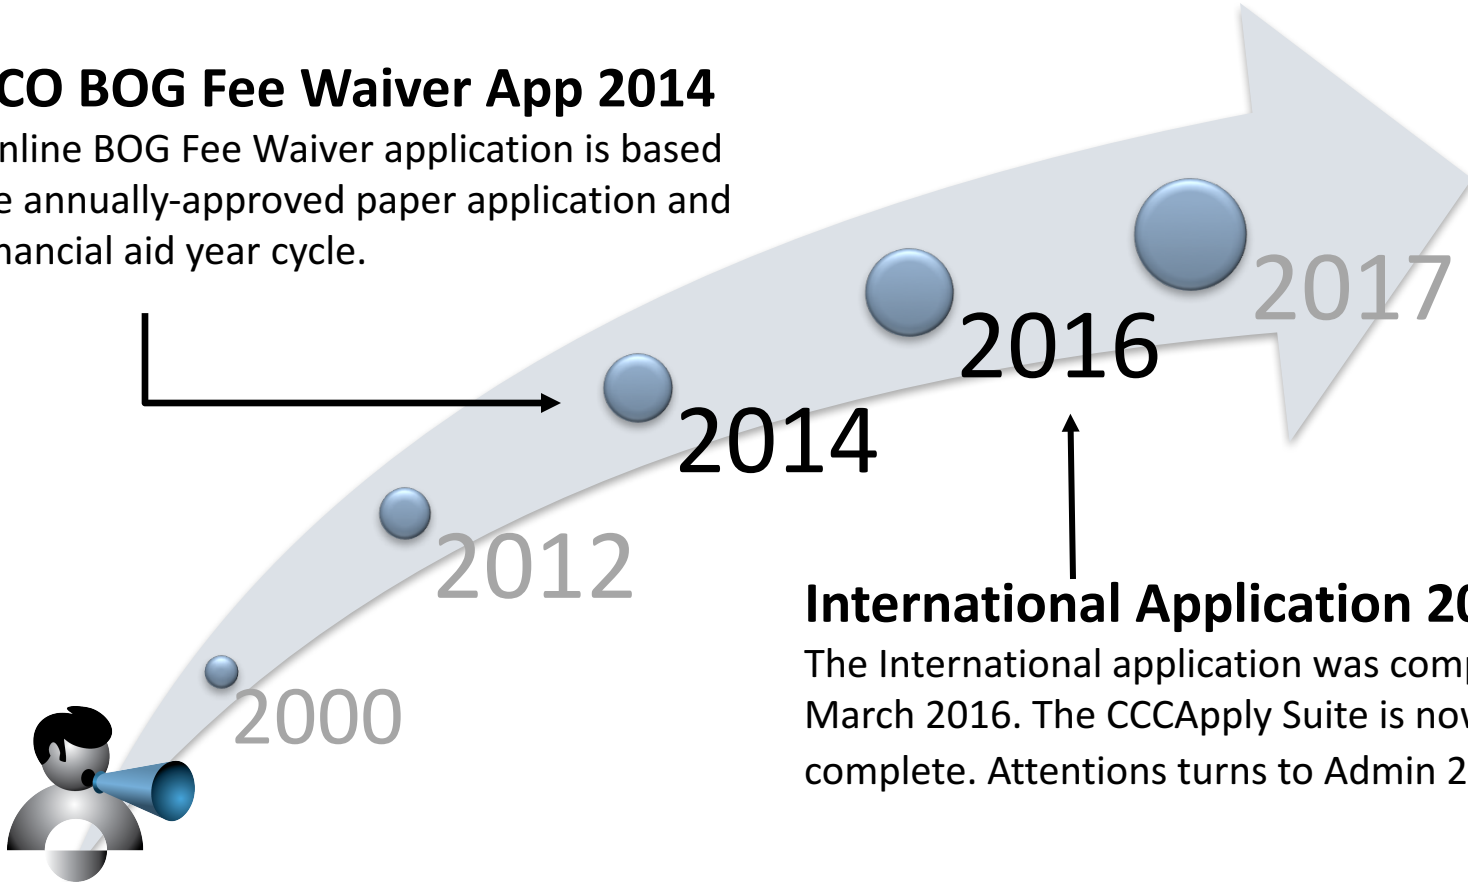

The CCCID is launched

The OpenCCC federated identity initiative is released in front of new version of the application to college: OpenCCCAppl

History: BOG & International Applications

CCCCO BOG Fee Waiver App 2014

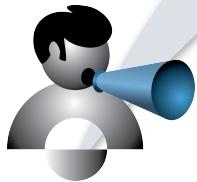

The online BOG Fee Waiver application is based on the annually-approved paper application and the financial aid year cycle.

2016: Supporting New CCC Applications

Maintenance Mode – Sept 2016

After International App was added to suite, focus shifted to maintenance, supporting other CCCTC web applications and preparing to move to Amazon Web Services

2000

2012

2014

2016

2017

Develop New CCC Administrator

To consolidate admin configurations, work begins on new master Administrator for all CCC web apps. CCCApply is first, then Project Glue with Canvas integration.

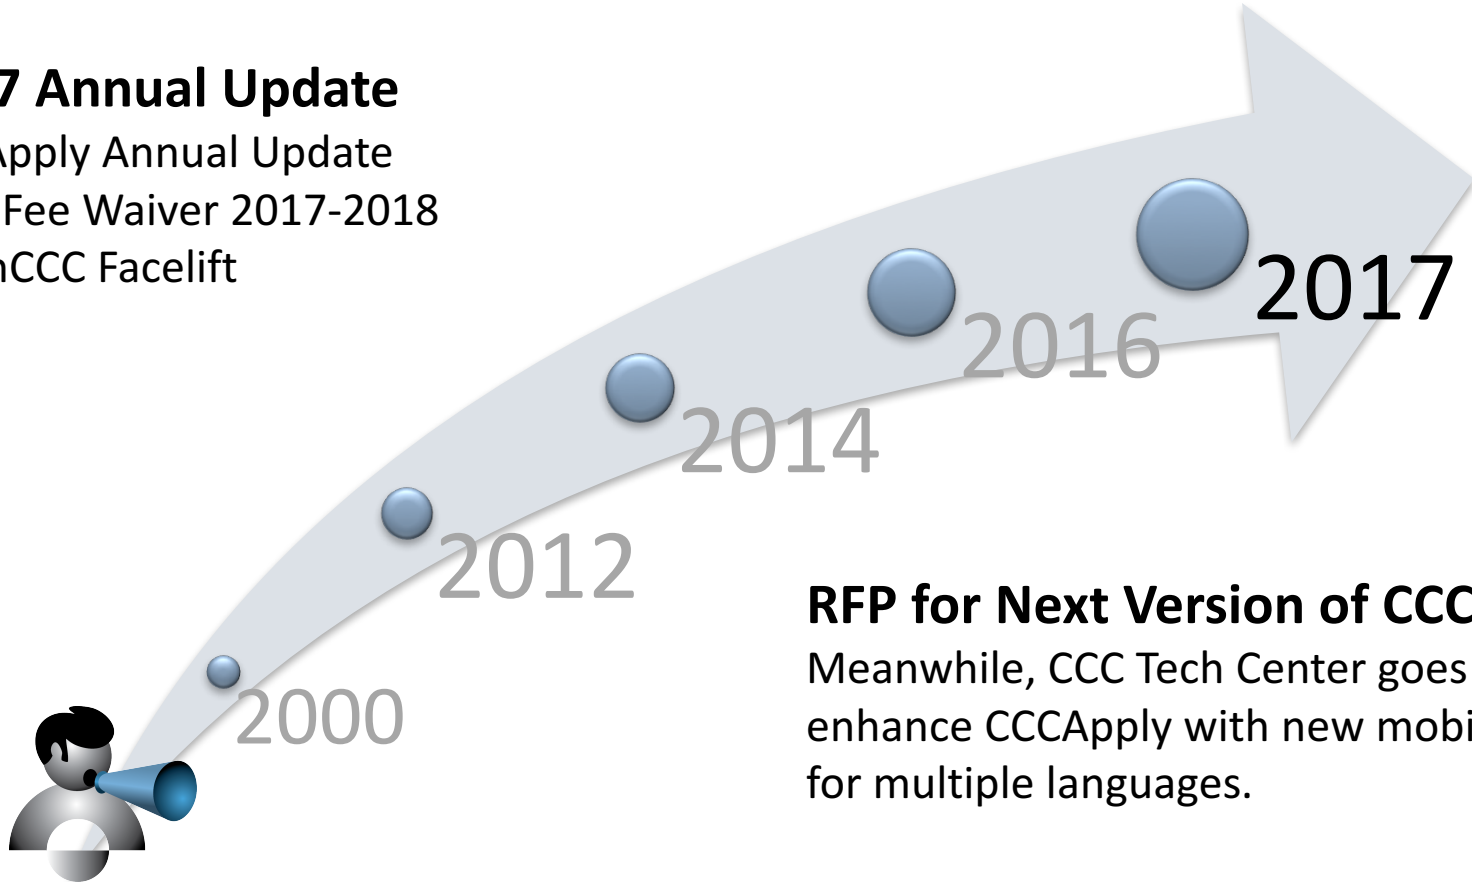

Today: 2017 Annual Update

2017 Annual Update

CCCApply Annual Update

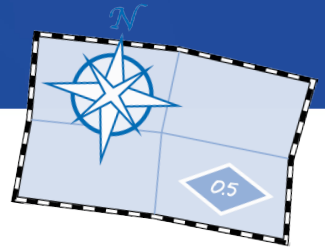

BOG Fee Waiver 2017-2018

OpenCCC Facelift

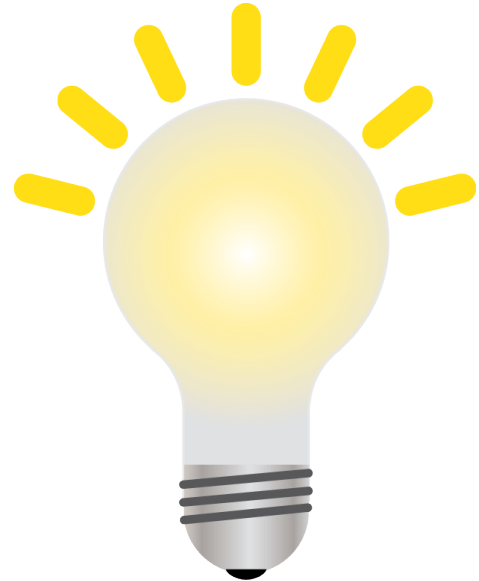

RFP for Next Version of CCCApply

Meanwhile, CCC Tech Center goes to RFP to enhance CCCApply with new mobile version for multiple languages.

New CCCApply

- Universal Form Builder Technology
- Multiple Languages
- Mobile –device friendly design
- WCAG 2.0 AA accessible design
- Phased integrated with MyPath
- Enhanced integration with Project Glue
- Integration with new Administrator 2.0

Why Develop Now?

“One Administrator to Rule Them All”

- Integration with all CCC applications
(Course Exchange, Assess, CCCApply, Canvas, Glue, CVC)
- Share common elements: terms, majors, college info, etc.
- Central authentication & user management
- Integration with SSO Proxy
- Upgrade in line with new CCCApply applications – RFP 2017

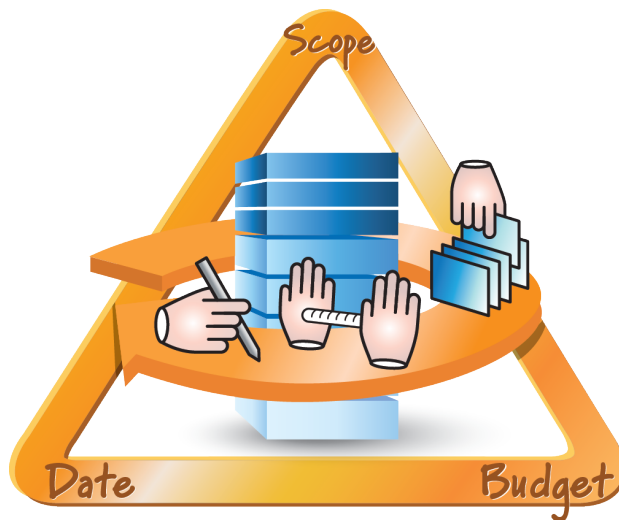

CCCApply Administrator

All existing functionality, plus improvements & enhancements

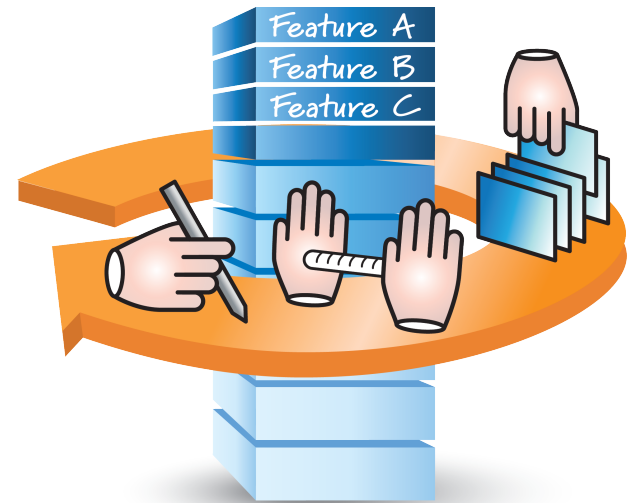

- Terms, Majors, Rules
- College & District Tables
- Supplemental Questions*
- English Proficiency
- Reset Downloads

Feature Enhancements

- New Supplemental Questions Component
- Improved List & Form Views
- Majors align to Education Goals
- CIP codes added to Majors table
- Opt-In/Out Multiple Majors
- Turn On/Off BOG Fee Waiver Years

Supplemental Questions

- User-friendly interface
- Drag and drop questions
- WYSWIG Editor
- Improved UI

Supplemental Questions

Ed Goal Alignment

- College configured in Majors table
- Optional – not required
- Only displays majors that align to designated education goal
- Steering Committee change request from 2014!

Add/Edit Major

Major Code

07101

Typically, this will be what a college will want to download as an identifier for the major.

Major Name

BA Music Theory

The college's description for a particular major.

Start Date

9/1/1963

Date when this major will be available for selection by an applicant.

End Date

5/27/2099

Date after which this major will not be available for selection by an applicant.

Award Type

(not specified)

Program Control Number

Unique code for every major from Chancellor's office.

Top Code

TOP Code from Chancellor's office.

CIP Code

Classification of Instructional Program Code

Educational Goals

- A - Obtain an associate degree and transfer to a 4-year institution
- B - Transfer to a 4-year institution without an associate degree
- C - Obtain a 2-year associate degree without transfer
- E - Earn a career technical certificate without transfer

Created

6/14/2012 11:23:02 PM

The date and time this major was created.

Created By

The user responsible for creating this major.

SSO Proxy Integration

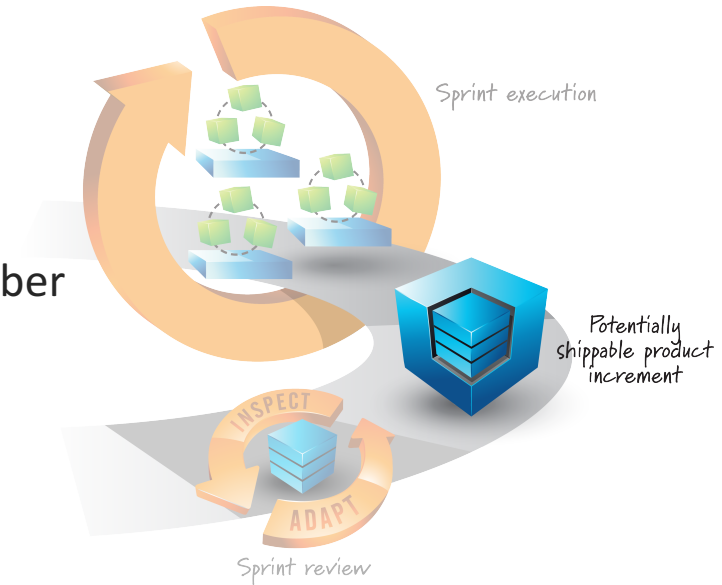

- College integration with the OpenCCC Federated Identity
- Prompts existing students to create OpenCCC accounts (CCCID)
- CCCIDs passed with college IdP to CCC Applications
- Requires Shibboleth v3 Upgrade*

The screenshot shows the OpenCCC login interface. At the top left is the OpenCCC logo with the text "CALIFORNIA COMMUNITY COLLEGES". Below this is the heading "Unable to Locate Your Information" followed by the message: "We need your OpenCCC Account statewide student identifier (CCCID). To continue to a California Community College secure web application, please sign in, or create your new account." Below the message is a sign-in form with two tabs: "Sign In" (selected) and "Forgot?". The form contains two input fields: "Username" with the value "pdonohue" and "Password" with masked characters ".....". A blue "Sign In" button is to the right of the password field. Below the form is a link "Create a New Account". At the bottom of the page, it says "A Service Of The CALIFORNIA COMMUNITY COLLEGES CHANCELLOR'S OFFICE" and includes links for "Help", "Terms of Use", "Accessibility", and "Privacy Policy".

Roll Out Timeline

- Integration with Canvas – June 2017
- Finish development of CCCApply through June 2017
- College Shibboleth Upgrades - Now through September
- College Previews & Implementation – August 1
- CCCApply Pilot release – August
- CCCApply Production release – September 29

Thank you!
