TECHNOLOGY CENTER

MyPath & Guided Pathways

Four Pillars of Guided Pathways

Create clear curricular pathways to employment and further education.

Help students choose and enter their pathway.

Help students stay on their path.

Ensure that learning is happening with intentional outcomes.

The four pillars of the Guided Pathways framework are:

1. Clarify the Path
2. Enter the Path
3. Stay on the Path
4. Ensure Learning

STEP 2: ASSESSMENT

Assessment is one of the critical steps to help students start on a successful pathway in college. It is important that students take the classes that they are academically prepared. Placement tests are designed to help determine the appropriate levels of courses that students need to take in mathematics, English, or English as a Second Language (ESL.) After receiving a course placement, you may enroll in that course or a lower course level. In addition, your course placement information may be helpful to you if you are interested in taking other courses at SRJC. Placement testing is offered year round.

Students may fulfill the Assessment requirement in a subject area (Mathematics, English or ESL) through one or more of the following:

a. Completing an equivalent course at a **post-secondary accredited institution** (not high school) in that subject area. The equivalent course will determine placement. **Note:** you must submit official transcripts and complete the **Prerequisite Equivalency Form** in order to fulfill the Assessment requirement in this option.

c. Taking the SRJC placement tests within three (3) years prior to initial registration

d. Taking valid, approved placement tests at other two-year California community colleges within three (3) years prior to initial registration.

e. Having valid **Early Assessment Program (EAP) results** that satisfy placement conditions determined by the District.

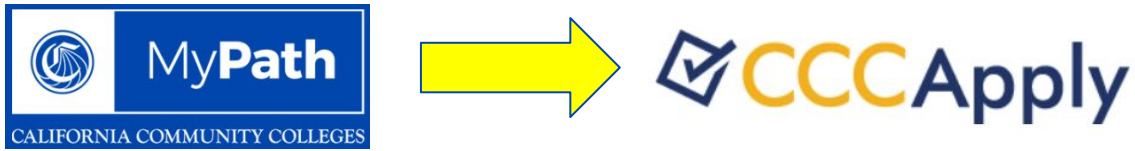
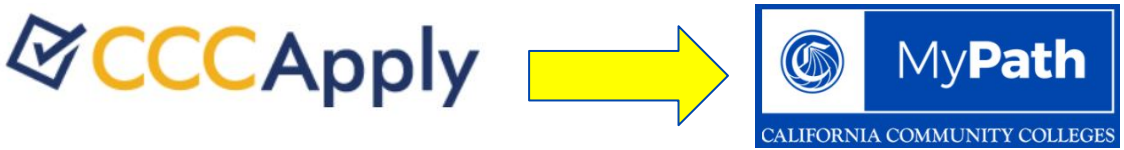
MyPath has Apps!

Choices for Implementing myPath
(remember... it's up to you!)

1. Make myPath the 1st step for all new students



2. Put myPath at the end of the online application after the student applies



Keep in Mind!

MyPath relies on the CCCID to provide a dynamic, custom experience.

SANTA ROSA JUNIOR COLLEGE
Building on a Legacy of Excellence

What we look forward to:

- Greater integration with CCCApply and Canvas
- Text messaging to students
- Electronic forms

SANTA ROSA JUNIOR COLLEGE
Building on a Legacy of Excellence

Conclusion:

- Great support from the Technology Center
- Customizable
- Free to the college
- Most importantly: Great tool for supporting student success!
