Hi Omid,

Thank you for your time and consideration this afternoon reviewing priorities for the CCCApply redesign effort.

The outline below captures our discussion on scope and schedule for the next three iterative releases planned through June 2019.

### Redesign Part 2

**Production Schedule:** December 7

Pilot Release Schedule: November 19

**Scope:**

- **New Race & Ethnicity Disaggregation** in CCCApply Standard & International applications
- 2019-2020 CC Promise Grant Application - (Annual update based on the Chancellor's Office official paper application)
- OpenCCC UI Styling Update - Complete UI facelift to make OpenCCC look & feel like MyPath
- CCCApply Applications UI Styling Update - UI facelift to make CCCApply look & feel like MyPath
- CC Promise Grant Application Styling Update - UI facelift to make Promise Grant look like MyPath

### Redesign Part 3

**Production Release:** March 15, 2019

Pilot Release: February 16, 2019

**Scope:**

- CCCApply **Non-Credit Application**
  - Custom, college-branded URL to Non-Credit version of CCCApply Standard App
  - Complies with AB3101 "residency-exemption" for non-credit students (exempt from residency algorithm)
  - Hides Residency page and questions
  - Hides Citizenship / Military page and questions
  - Includes logic & process for non-credit applicants to transition to credit for residency determination
  - Utilizes auto-population for transition from non-credit to credit (only answer questions hidden in Non-credit app)
- Social Security Number Question Redesign  
*Pending - Time-permitting*
- CCCApply Report Center Upgrade (current version is no longer supported)
- Remove Questions from Needs & Interests Page
- Other removals or revisions across CCCApply based on Workgroup approvals

### Redesign Part 4

**Production Release:** June 2019

Pilot Release: May 2019

**Scope:**

- Recommendations based on Ideas42 study (TBD)
- CCCApply & Promise Grant Mobile-friendly Platform (responsive design)
- Spanish Version (CCCApply, Promise Grant)
- Requirements for Infrastructure Upgrade - Backend Micro-services
- Requirements for Universal Form Engine architecture
- Requirements for EOL Download Client > Migrate to New Download Jar 2.0

Please let me know if you have any questions, comments, or concerns.

Thanks again,  
Patty

Patricia,

Is there a project plan that has been defined that reflects what you have provide here?

Thank you,  
Barney

Yes but I'm not sure if it is signed, sealed, and delivered yet. But this outline lines up very closely. I will defer to Jennifer provide the link and an update on the status of the work plan, Barney. Please let me know if there are scope, schedule, or budget issues at this point against this draft.

Thanks,  
Patty
