Hi Omid and Patty,

Would like to make a note of this for our discussion Friday, although I haven't verified if it is true. I was told by a staff member that:

CCCapply app should say Tribal TANF because that is a California term. The students that are Tribal TANF do not know to select just TANF unless they are educated on that – which most are not.

Yes No

Are you receiving TANF/CalWORKs, SSI, or General Assistance?

clear selection

I apologize if this is not accurate, but the source is pretty reputable since she works with this population all of the time.
