Ex Libris has acquired Innovative Interfaces.

ELUNA will be held May 5 – 8. Knowledge Days are held the day before the conference.

Updates to Cataloging Page:

Monica has updated the cataloging page on the wiki. Many resources have been added. Let Monica know if there are other items that need to be added to the page.

The recording of the cataloging webinar has been added as well.

She posted the questions and answers that were asked in Basecamp prior to the webinar.

There was a question from Dorothy Fuhrmann about records in the NZ without OCLC numbers. There should not be any records in NZ without OCLC #s but Dorothy found some.

If the Cataloging Workgroup approves, the chat transcript and answers from the webinar can be posted to the wiki page. Please let Monica know by Friday if we have any answers to be added to the chat transcript before she posts it to the wiki.
