Staying Connected - Project Wiki Page

CCC Library Services Platform Project

The California Community Colleges (CCC) is implementing a cloud-based, systemwide Library Services Platform (LSP) that will more effectively connect all students with the most useful, high quality resources in a collection. The LSP will replace the various library systems currently used by 110 participating community colleges across the state.

LSP Governance Committee

- Committee Members
- Governance Structure
- Committee Charter
- Agendas, Agenda Materials and Minutes

Work Groups

- Acquisitions and Electronic Resource Management
- Analytics
- Cataloging
- Circulation
- Discovery and UX
- Instruction
