10:01:32 From Bryan Miller To Rick Snodgrass(privately) : Good morning, Rick! Hey, would you mind posting the link to the confluence material in the chat?
10:02:43 From Joseph Moreau : It is amazing how many beards are present today.
10:03:34 From Stephen Heath : Stephen Heath, InfoSec, TAP team @ Chancellor's Office
10:04:03 From Rico Bianchi : None are as good as your beard Joe.
10:04:13 From Jennifer Coleman : Jennifer Coleman, Director of the Student Success Suite at the CCC Technology Center. Supporting Rick on Logistics for TTAC.
10:04:14 From Gregg Atkins : Gregg Atkins, Executive Director, Council of Chief Librarians CCC
10:04:16 From Bryan Miller : Good morning. Bryan Miller, VP Communications and Technology at the FoundationCCC (non-voting)
10:04:43 From Cheryl Aschenbach : Cheryl Aschenbach, ASCCC Secretary and co-chair of TTAC
10:04:50 From Candace Robertson : Candace Robertson, Operations Manager CCC TechConnect with Rico Bianchi
10:05:01 From Robert L Stewart Jr : Good morning. Robert L Stewart Jr – ASCCC
10:05:05 From Gary Moser : Hello! Gary Moser VC IT\CIO Kern CCD. Representing CISOA
10:05:09 From Gary Bird CCCCO : Gary Bird. Chancellor's Office. Technology Specialist and Grant Monitor.
10:05:19 From Craig Rutan : Craig Rutan, Senate President at Santiago Canyon College, ASCCC Rep
10:05:36 From Sean Burke : Good Morning! Sean Burke, Consultant at CCCTC
10:06:07 From Fredrick Rocha© : Good morning! Fred Rocha, Coast College CIO, representative of CISOA
10:06:18 From Alexander Jackl : Alex Jackl,, Data Governance and Management Lead, Chancellor's Office.
10:06:36 From Deb Barker-Garcia : Good Morning – Deb Barker-Garcia – CCCCO– TAP & Educational Services & Support
10:06:46 From JC Sales : Good morning everyone and happy new year. JC Sales, Executive Director of Program Development – Foundation for California Community Colleges. Here to provide contract and procurement support.
10:07:05 From Gian Gayatao : Good morning! Gian Gayatao, Student Rep., Legislative Affairs Director at the SSCCC
10:07:30 From Russell Grant : Good morning Russell Grant DII grant monitor CCCCO
10:07:53 From Daryl Lal : Daryl Lal, Ofc of Information Security, Chancellor's Office.
10:08:14 From Robert Coutts : Good morning. Robert Coutts Programmer Analyst 3 Citrus College representing CSEA
10:08:17 From Elaine Kuo : Good morning! Elaine Kuo, RP Group rep (Foothill College)
10:08:20 From Rico Bianchi : Good Morning

Rico Bianchi
Director
CCC TechConnect
10:09:15 From Kyllingstad, Tim : Good morning — Tim Kyllingstad —
CAPED Rep —@ Cerritos College.
10:14:33 From Suzanne Wakim : Is there any talk of funding for Zoom
decreasing?
10:14:56 From Rick Snodgrass  To  Rico Bianchi(privately) : Hi Rico —
could you post those stats here for the record?
10:15:01 From Fredrick Rocha© : What is the date range for the 80M
mark?
10:15:38 From Rick Snodgrass : I asked Rico to post the main Zoom
stats here for the record.
10:16:09 From Fredrick Rocha© : @Rick — Thank you that will be helpful
to share with others.
10:16:40 From Suzanne Wakim : Maybe limit storage space per person?
10:17:07 From Suzanne Wakim : A lot of the recordings folks have are
probably not necessary (I know I have a bunch that can be deleted).
10:17:12 From Michael Tuitasi : We've piloted Otter A.I. The faculty
and students love it. $50,000 for a thousand users.
10:17:32 From Rick Snodgrass  To  Cheryl Aschenbach(privately) : Do
you want to mention chat comments?
10:18:42 From Elaine Kuo : Are there any issues with (student)
consent?
10:18:57 From Cheryl Aschenbach  To  Rick Snodgrass(privately) : yes
when they stop talking :)
10:19:31 From Michael Tuitasi : No. Proctorio is a different story. :)
10:19:51 From Rick Snodgrass  To  Cheryl Aschenbach(privately) :
Indeed:>)
10:20:15 From Michael Tuitasi : Also using Otter for trainings and
professional development.
10:23:21 From Robert L Stewart Jr : Synchronous sessions need to be
maintained for possible DOE audits
10:24:25 From Suzanne Wakim : Downloading the Zoom recordings is one
options, but I don't think the captions would come with the download.
That makes double work for downloading as a solution.
10:26:51 From Michael Tuitasi : Students having spoke out against it.
Very strongly
10:27:24 From Elaine Kuo : Yes, students are not fans
10:28:22 From Cheryl Aschenbach : the use of Proctorio and similar
apps to monitor students is a nationwide issue in higher ed
10:28:23 From Rico Bianchi  To  Rick Snodgrass(privately) : I'll check
to see if Zoom using Otter would allow for downloading the caption
file simultaneously.
10:30:48 From Robert L Stewart Jr : @ One is very valuable
10:35:13 From Robert L Stewart Jr : another need are online course
designers to help faculty
10:36:05 From Alexander Jackl  To  Rick Snodgrass(privately) : Jump
forward  as Barney is talking— he is jumping right to the specific
slides.

10:36:16 From Alexander Jackl  To  Rick Snodgrass(privately) : Then jump back — sorry
10:37:01 From Suzanne Wakim : and accessibility specialists along with course designers
10:38:18 From Alexander Jackl  To  Rick Snodgrass(privately) : I would let Barney go through all the specifc sldies and when we finish CENIC then go back to SLide 7  then
10:39:29 From Cheryl Aschenbach : @Suzanne and @Robert, YES!
10:41:09 From Rick Snodgrass  To  Alexander Jackl(privately) : I'll do my best! — Thanks for the tips, Alex
10:42:58 From David Kendall : I can comment on the scope and topics covered in the workshops.
10:46:41 From Elaine Kuo : Yes, that was my question too
11:02:56 From Alexander Jackl  To  Rick Snodgrass(privately) : I would go back to slide 7 now
11:03:18 From Alexander Jackl  To  Rick Snodgrass(privately) : It has CENIC on it and will prompt Barney o nthe enxt thing.
11:03:51 From Rick Snodgrass  To  Alexander Jackl(privately) : What is the subject of 7?
11:04:40 From Gregg Atkins : Will the new satellite internet effort provide another solution for us?
11:05:04 From Alexander Jackl  To  Rick Snodgrass(privately) : DII Priorities.
11:05:33 From Alexander Jackl  To  Rick Snodgrass(privately) : That will be the last slide before we go to 2021 POlanning
11:05:55 From Rick Snodgrass  To  Alexander Jackl(privately) : Waiting for Cenic to be done
11:06:20 From Alexander Jackl  To  Rick Snodgrass(privately) : Okay
11:06:51 From Alexander Jackl  To  Rick Snodgrass(privately) : Thanks — next time we will have an opening summary and closing summary slide. Sorry to make you bunce around.
11:14:47 From Rick Snodgrass  To  Alexander Jackl(privately) : That would be good — I didn't get this deck until 20 minutes before the meeting — a little more lead time would be really nice too!
11:18:54 From Alexander Jackl  To  Rick Snodgrass(privately) : Yeah!
11:24:43 From Rick Snodgrass  To  Jennifer Coleman(privately) : Great overview — they needed to hear all that
11:24:51 From Kyllingstad, Tim : With all of the applications that are using SMS/texting including as just mentioned CCCApply and other systems ——Is there a possibility of getting a centralized SMS offering in place.. For the economy of scale??
11:24:51 From Jennifer Coleman  To  Rick Snodgrass(privately) : Thanks!
11:25:38 From Elaine Kuo : Issue of fraudulent applications is super relevant; it's an increasing issue in a fully online space.
11:32:22 From Rick Snodgrass  To  Bill Rawlings(privately) : Glad you were able to join the meeting, Bill! I've been busy in the background:>
11:35:25 From Bill Rawlings  To  Rick Snodgrass(privately) : Thanks Rick!

11:43:59 From Michael Tuitasi : Great points Bill
11:44:14 From Rick Snodgrass  To  Jennifer Coleman(privately) : Bill
is right on!
11:46:56 From Rico Bianchi : Sorry, Zoom number of 80 million classes/
meetings was incorrect.
8,024,482 classes/meetings since Zoom was implemented.
7,763,767 March 1st – December 31st 2020
782TB  – Total Zoom cloud storage usage to date
11:47:36 From Nabil Fares : This makes more sense. Thank you Rico
11:47:48 From Rick Snodgrass : Thanks, Rico!
11:47:55 From Fredrick Rocha© : Thanks Rico!
11:51:27 From Rick Snodgrass  To  Jennifer Coleman(privately) : I did
that!
11:52:13 From Rick Snodgrass : Tentative next meeting – Monday May
10th from 1 –4 PM
11:52:19 From Michael Tuitasi : Thanks Everyone
11:52:33 From Rick Snodgrass : I'll be sure to remind everyone on the
listserv.
11:53:16 From Rick Snodgrass : It will be posted on our Confluence
space – of course!
11:55:09 From Robert L Stewart Jr : also an enrollment management
point of view
11:55:09 From David Kendall  To  Rick Snodgrass(privately) : Can you
point me to the Participatory Governance Handbook?
11:55:16 From Rick Snodgrass : This recording will be posted there as
well.
11:55:45 From Rick Snodgrass  To  David Kendall(privately) : Are you
talking about our TTAC charter?
11:56:30 From David Kendall  To  Rick Snodgrass(privately) : I'm
referring to the item that Bill discussed earlier and throughout this
meeting.  Apparently it was mentioned at BOG?  Just want to know where
to see this artifact.
11:56:35 From Barney Gomez : SMS txting is something I can look at
through the college buys program
11:58:40 From Cheryl Aschenbach : Direct link: https://
